

2022 DONALD ROSS CUP

First Round Begins Tuesday, July 19

Round Completion Dates: 8/7, 8/26, 9/11, 9/30, 10/19 (semi-finals), 10/24 (finals)

New This Year!

Both Men's and Ladies' Division Available

TOURNAMENT FORMAT

- » 64 Player Match Play. Seeding will be based on Handicap Index
- » All matches will be played from the Blue Tees and will be played at 100% handicap. Players Handicaps for tournament seeding will be determined by using the July 8th handicap revision period
- » Players Handicaps for matches will be determined by using the current days revision (Hcps. will not be locked into the July 8 revision that bases seeding)
- » The USGA defines Match Play as one side playing against another over a stipulated round. Therefore, in order to qualify as a match, the opponents must play in the same group. Matching of cards does not meet this requirement.
- » All matches must be complete within the time guidelines for that round. If any matches are not completed within that timeframe, it's been decided that the Golf Professional Staff will flip a coin to see who advances.

Cancelation of play will be at the discretion of the Golf Professional Staff and Agronomy team.
